MODEL ANSWERS & TIPS

PART 1: WRITING AN EMAIL TO A FRIEND ABOUT A TRAVEL EXPERIENCE

HOW TO APPROACH

Step 1: Start by greeting your friend and introducing the topic of your email. Step 2: Describe the place you visited, including its culture, food, and attractions. Step 3: Share your personal experiences and feelings about the trip. Step 4: End the email with a closing and a call to action, such as asking your friend to visit the place too.

MODEL ANSWER

Dear Sarah,

I hope this email finds you well. I just got back from my trip to Japan and I couldn't wait to share my experience with you. The country is absolutely amazing, with its unique culture, delicious food, and stunning landscapes. I visited Tokyo, Kyoto, and Osaka, and each city had its own charm. The people were friendly and welcoming, and I even got to try some traditional Japanese cuisine like sushi and ramen.

I had an incredible time exploring the temples, gardens, and castles, and I even got to attend a traditional tea ceremony. The scenery was breathtaking, and I took plenty of photos to remember the trip by. I highly recommend visiting Japan to anyone who loves travel and culture.

Best regards, Emily

TIPS

Use a formal but friendly tone, and make sure to include specific details about your trip. Use descriptive language to bring your experience to life, and don't forget to include a call to action at the end.

PART 2: CHOOSE ONE TASK

Task A: ARTICLE

HOW TO APPROACH

Step 1: Start by introducing the topic and providing some background information on sustainable tourism. Step 2: Describe the initiative and its goals, including the measures that will be taken to reduce carbon emissions. Step 3: Discuss the potential impact of the initiative on the tourism industry, including its benefits and challenges. Step 4: End the article with a conclusion and a call to action, such as encouraging readers to support the initiative.

MODEL ANSWER

Sustainable Tourism in Paris

The city of Paris has launched a new sustainable tourism initiative, aiming to reduce carbon emissions and promote eco-friendly travel practices. The initiative includes measures such as encouraging the use of public transport, reducing energy consumption in hotels, and promoting local and organic food. The goal is to reduce the city's carbon footprint and make tourism more sustainable.

The initiative is expected to have a positive impact on the tourism industry, as it will attract environmentally conscious tourists and promote the city's green image. However, there are also challenges to be addressed, such as the need for investment in infrastructure and the potential impact on local businesses.

Overall, the sustainable tourism initiative in Paris is a step in the right direction, and it is expected to inspire other cities to follow suit.

TIPS

Use a formal tone and include specific details about the initiative. Use technical vocabulary related to sustainable tourism, and make sure to include a clear structure and conclusion.

Task B: LETTER/EMAIL

HOW TO APPROACH

Step 1: Start by apologizing for the inconvenience and acknowledging the guest's complaint. Step 2: Explain the measures that will be taken to address the issue, such as installing soundproofing or providing earplugs. Step 3: Offer a solution, such as moving the guest to a quieter room or providing a discount on their stay. Step 4: End the letter with a closing and a call to action, such as inviting the guest to contact you if they have any further concerns.

MODEL ANSWER

Dear Mr. Smith,

I am writing to apologize for the noise levels in our hotel during your recent stay. We take all complaints seriously and are committed to providing our guests with a comfortable and peaceful environment. We are taking measures to address the issue, including installing soundproofing in the affected rooms and providing earplugs to our guests.

We would like to offer you a discount on your stay and invite you to contact us if you have any further concerns. We value your feedback and appreciate your patience and understanding in this matter.

Best regards, Hotel Manager

TIPS

Use a formal tone and include specific details about the complaint and the measures that will be taken to address it. Use polite language and make sure to include a clear apology and solution.

Task C: REPORT

HOW TO APPROACH

Step 1: Start by introducing the topic and providing some background information on the town and its tourism industry. Step 2: Describe the impact of tourism on the local environment, including the effects on wildlife, water quality, and waste management. Step 3: Provide some recommendations for sustainable tourism practices, such as reducing plastic use, promoting eco-friendly accommodations, and supporting local conservation efforts. Step 4: End the report with a conclusion and a call to action, such as encouraging the local authorities to implement sustainable tourism policies.

MODEL ANSWER

Report: The Impact of Tourism on the Local Environment in Coastal Town

Introduction: The small coastal town of Beachville has become a popular tourist destination in recent years, attracting visitors from all over the world. However, the increased tourism has had a significant impact on the local environment, including the effects on wildlife, water quality, and waste management.

The impact of tourism on the local environment is a major concern, as it can lead to the destruction of habitats, pollution of waterways, and depletion of natural resources. To address this issue, it is essential to implement sustainable tourism practices, such as reducing plastic use, promoting eco-friendly accommodations, and supporting local conservation efforts.

Recommendations: To mitigate the impact of tourism on the local environment, we recommend that the local authorities implement sustainable tourism policies, such as reducing the number of tourists, promoting eco-friendly transportation, and supporting local businesses that adhere to sustainable practices.

TIPS

Use a formal tone and include specific details about the impact of tourism on the local environment. Use technical vocabulary related to environmental conservation, and make sure to include a clear structure and recommendations.
